Dear Parent/Carer,

#### Care during drop off and pick up

We have had a complaint from the local residents that parents are reversing in drives and going onto property. Please refrain from doing this.

The local community is very supportive of the school under normal circumstances and we very much want this to continue.

#### INSET day

As we move across to an Academy we have set an Inset Day for Thursday 28th March. This will enable all staff to have a training day which will aid the seamless transition for the children.

This will also mean that school will finish for the Easter Holidays the day before Good Friday allowing everyone to travel if they are seeing family.

#### Indoor Athletics

This week we sent two teams, one from Year 3 and one from Year 4 to an Indoor Athletics competition at Tretherras School. Each pupil took part in one field event and one track event then the whole team took part in a relay race. The events included, seated chest push, standing long jump and speed bounce and the track events were one lap sprint, three lap long distance and the obstacle course.

All the pupils behaved superbly and were excellent competitors. The Year 3 team came  $5^{th}$  overall and the Year 4 Team came  $2^{nd}$  overall.

A superb trip out and well done to all our amazing athletes! Thank you to parents for supporting the event and to Sophie for managing the teams!
