

Dear Parent/Carer,

## Food orders

Please can parents log on to Aspens Select to make their child's food order before 9.00am.

We are still having lots of children who haven't ordered, we don't have a large surplus of food due to it being a pre order service. Whilst we would not leave children without a lunch, it did mean that they had to have what was left of the remaining meals rather than a choice.

## Sporting event

This week our pupils took part in the Indoor Athletics Competition at Newquay Sports Centre. We sent two teams, one of Year 5s, one of Year 6s. Both teams took part in three 'field' events, the seated throw, standing long jump and Speed Bounce. They also competed in three 'field' events, Sprint, hurdles and long distance. All pupils took part in relay runs at the end. The pupils performed superbly and were excellent at cheering each other on. Year 6 came 3<sup>rd</sup> Overall and Year 5 came 10<sup>th</sup> Overall.

Thank you to Sophie for taking the team and thank you to parents for their continued support!

## Swimming competition results

The results of the Yr 5 & Yr 6 swimming gala at Waterworld are now in. A huge well done to everyone who took part!

Year 5 Boys - 3<sup>rd</sup>  
Year 5 Girls - 6<sup>th</sup>

Year 6 Boys - 3<sup>rd</sup>  
Year 6 Girls - 2<sup>nd</sup>

Overall Position 4<sup>th</sup>

## Lapwings trip to The Eden Project

On Thursday Lapwings Class visited The Eden Project with Swallows Class. In preparation for our upcoming plant topic in Science we explored how plants differed in the two biomes and thought about why that might be. We explored how many foods and everyday products come from plants. we also visited The Core to see the giant granite seed sculpture and the Infinity Blue installation.

Lapwings Class learnt lots of new information that we will explore further in class and it was a perfect way to spend a rainy day.

## Swallows trip to The Eden Project

This week Swallows class visited the Eden Project. The weather was horrendous but we made it in one bedraggled piece and had an amazing day exploring the Biomes and working on our art. We have been looking at patterns in nature and how patterns can be visual or tactile. The pupils had a great time finding and touching a huge range of plants, many of which only exist in forests on the other side of the world! Have a look on the Swallows page on the school website for more pictures!

Huge thank you to the Eden team for being so accommodating and thank you to the TA's for making it all run so smoothly.

My favourite thing at Eden was Infinity Blue because I loved chasing the smoke rings! - Grace

I really liked all the plants, especially the spiky ones! - Marley

## Christmas reminders:

**Monday 11th & Thursday 14th December—Owls Nativity**  
Nativity performances for Owls  
5.00pm on Monday and 10.00am on Thursday

**Tuesday 12th & Wednesday 13th December—Pipits & Skylarks Nativity**  
Nativity performances for Pipits & Skylarks
