

Science

We will be learning about the seasonal changes found in Autumn and also be looking at animals (including humans), how we grow, the different parts of our bodies, our senses, being healthy and pets.

Maths

We'll be learning about place value, addition and subtraction and shape.

Literacy

Read, Write, Inc—learning all set 2 and 3 sounds every day, with reading, writing, spelling, punctuation and grammar activities that link in.

French

We will be learning French greetings.

PSHE

The focus for the Autumn term will be 'New Beginnings'.

History

We will be learning about castles and will have a visit to the exciting Pendennis Castle.

Autumn Term 2023

RE

Old Testament based stories including the creation story,

Computing and ICT

We will investigate where we can find technology around us, how to use a keyboard and mouse and how to use technology to create art.

PE

In PE will be learning how to play dodgeball and the skills needed on how to improve.

We will also be learning gymnastic skills through the retelling of traditional tales.

Music

We will be learning about rhythm and composition and also songs for our nativity play.

Art/DT

We will be learning all about spirals and print making in art and about making dips and dippers, the eatwell plate and where foods come from in the world in Design and Technology.

Geography

We will be learning about our local area, the kinds of houses, jobs and the main features we might find locally. We will also go on a field trip around Cubert village.
