

Dear Parent/Carer,

School drop off time

We just wanted to remind everyone that school drop off time is between 8.40am-8.50am. Please don't allow your child to enter into school before this time.

Please could we also remind parents of Yr 2 & Yr 3 not to walk your child to the classroom door. Please either drop them at the main top gate or at the gate by their classroom.

At the end of the day if you are picking up at Owls please don't then walk through the playground, as this is causing some confusion with children being dismissed to their parents at the gate for the older classes.

School Gateway

As many of you will be aware there is a problem with our School Gateway App and parents are unable to log on and pay for kids club. We have been in contact with School Gateway about this and are working towards rectifying this as soon as possible for everyone.

Aspens & Free School Meals

Our school meal provider Aspens has asked us to send a letter to you all, which has gone out via email today. Due to rising inflation, from the 1st October the meal prices will be changing to £2.50 per meal.

If your circumstances have changed or you have not checked to see if you are eligible for Free School Meals, check if you qualify online at <https://www.gov.uk/apply-free-school-meals>. Applying for this does not only release free schools meals but also many other benefits, for example funding for trips, and uniform.

Message from the Cornish Pirates Rugby coach to Miss Brown

I would just like to say a massive thank you for the opportunity to come into Cubert School and work with your amazing students and staff.

Over the last few weeks I've had the pleasure of working with the Curlews and the Puffins. They have been outstanding in their behaviour and attitude.

Over the last few weeks I have seen their confidence grow along with their resilience to learning new skills. They have also demonstrated the core values of rugby that are Teamwork, Respect, Enjoyment, Discipline and sportsmanship.

This week both classes ran their own mini festivals where they were in charge of organising the team's refereeing the games and collaborating with each other to make it all work. This gave the staff and I the opportunity to see how they interacted with each other and I was thoroughly impressed.

The focus wasn't on the results of the games but on how they were played and how they worked together as a group. They all did extremely well and I'm very proud of them all I can't wait to come back next week and work with them all again.

CUBERT SCHOOL NEWS

ISSUE 4 www.cubert.cornwall.sch.uk

29th Sept 2023

Cross country

Yesterday's Cross country event was a huge success for Cubert, we had thirty pupils take part in the first of a four race series.

After being rained off the first time we were all very excited to take part.

It was a very busy race with lots of other school attending. We had lots of pupils finishing in the top 20! Thank you to the parents who came to support and keep practicing for the next race which will hopefully be on 8th November.

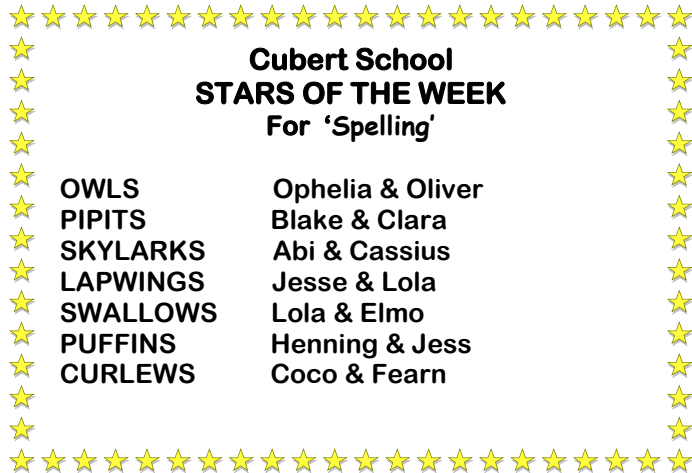

USEFUL INFORMATION
