

Dear Parent/Carer,

Pick up and drop off

Please can we remind everyone to be careful when dropping off in the morning and picking up after school. There was a near miss at the end of last week with two cars trying to pull into the same space, so please can everyone be mindful.

Half term

We hope that you all have a lovely half term and shall look forward to seeing you back to school on **Monday 30th October**.

Visit from Screech Owl Sanctuary

On Wednesday morning, Owls, Pipits & Skylarks were visited by 3 lovely real Owls from the Screech Owl Sanctuary, including a tawny owl and barn owl. The children were fascinated by Wheatley, Hannah and Precious and enjoyed learning all about them and even got the chance to touch them!

We were so impressed by the children's behaviour, how well they listened and their inquisitive questions. Well done everyone.

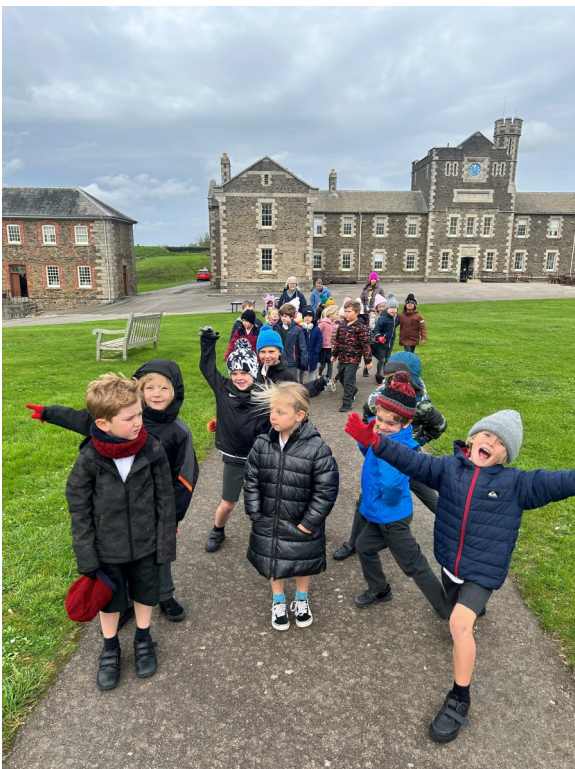

Visit to Pendennis Castle

On Tuesday Pipits and Skylarks travelled to Falmouth to visit Pendennis Castle. Pipits and Skylarks are currently learning about castles and the Tudors respectively and this was an excellent opportunity to take in some local history that had an international impact. The Skylarks had access to some brilliant artifacts and props that allowed them to get hands on with the history of Tudor life, while the Pipits looked at how the castle design and build has changed over the last 500 years or so.

Thanks very much to all of the parents for allowing us to take the children out on this trip and returning their permission slips so promptly and to all of the volunteers that made it possible.

Macron football

The Year 5 and 6 football team from Cubert School left a lasting impression on the field at the recent competition hosted by Treviglas School. In a display of skill, teamwork, and admirable sportsmanship, the young athletes from Cubert School took home the coveted "Best Sportsmanship" award, along with a £100 voucher for our school.

However, what truly set this team apart was their exceptional sportsmanship. The players from Cubert School consistently demonstrated respect for their opponents, the referees, and the game itself. Their exemplary conduct, encouraging words, and commitment to fair play were evident in every match. For them, it was not just about winning; it was about playing with integrity and honour.

Congratulations to the entire team, and a special thank you to Sophie for managing the players. Also, a big thank you to the parents for their support at this competition.

It should be a source of great pride for the Cubert School community to see their young athletes excel.
